INTRODUCING

Royale

Premium Feel, Affordable Price

The Royale is a quality, Australian-made, handcrafted mattress featuring a 5-Zone Edge-to-Edge Pocketed Coil design, delivering exceptional comfort.

Expertly crafted, it includes a fibre-blend quilt layer that enhances airflow, ensuring comfort in both warm and cool environments.

This mattress offers outstanding pressure relief, support, and full-body comfort for a more restful and healthier sleep experience.

Designed with quality and craftsmanship in mind, and is also compatible with adjustable bases for added versatility, The Royale is available in three luxurious feels: Firm, Medium, and Plush.

WHY WE RECOMMEND AN ADJUSTABLE BASE FOR YOUR MATTRESS

Experience a whole new level of comfort and versatility with an adjustable base. Whether you're seeking personalised support, improved sleep posture, or relief from back pain, an adjustable base lets you effortlessly elevate your head, feet, or both to the perfect position. This flexibility helps enhance your sleep quality by providing optimal alignment, reducing pressure points, and boosting circulation.

But it doesn't stop at sleep—adjustable bases also allow you to effortlessly switch to a comfortable lounging position for reading, watching TV, or simply relaxing.

With the convenience of remote-control operation, you can easily adjust to your ideal sleep or lifestyle position, making it the perfect upgrade for those who want a mattress that supports both comfort and wellbeing throughout the day and night.
